RE: October 2014 Report

Call Totals: West Lafayette Fire responded to 150 Total Calls in October: 107 Medical, 2 Fire, 1 Overpressure, 4 Hazardous Condition, 8 Service Calls, 13 Good-Intent Calls, 12 False Alarms, 3 Other. Year-to-date incidents: 1,677. 136 of our total calls this year have been overlapping, meaning we are on more than one call at a time. Of the 150 Total Calls in October, 13 were overlapping.

Educating: WLFD's "Keep Me In and I'll Get You Out" Public Education Program continues to be an incredible community-wide event! WLFD disbursed 34,000 "Keep Me In and I'll Get You Out" stickers and magnets throughout October: 18,000 stickers and 16,000 magnets. Energizer greatly helped our efforts of keeping the community safe by sending us over 1,300 new 9V and AA smoke detector batteries. If you or someone you know needs batteries, call or stop by any of the fire stations.

Training: A-Shift kicked off October with maps review followed by training on Ladder 2 operations at Station 2, where each firefighter had to reach strategically-placed cones on the roof with the bucket. Medical in-service covered emergency childbirth. A-Shift trained on the RTV and trails as well as the Squad on hose lays and advancements, reviewed operations of the Squad, and did their annual hose test, bringing A-Shift's total man hours of training for October to 180. B-Shift worked hard familiarizing new recruits with trucks, response area, and the department. B-Shift worked with high-rise packs to determine if they could deploy them in a better, more efficient way. Hose testing on Engine 2 and Ladder 2 along with medical in-service on neonatal obstetrics brought B-Shift's total man hours of training in October to 247. C-Shift had eleven man hours of Monday truck checks, twelve man hours of map and street study, three man hours touring the new building at North and Northwestern, 24 man hours of medical in-service, and 102 man hours of physical fitness, bringing C-Shift's combined man hours to 152 in October.
